A horizontal timeline bar with a black background and white tick marks. The time intervals are labeled as follows: 09:30, 10:00, 10:30, 11:00, 11:30, 12:00, 12:30, 13:00, 13:30, 14:00, and 14:30. The bar is divided into segments by these ticks, with the first segment (09:30-10:00) being slightly longer than the others.

The Gantt chart displays the duration of 20 tasks. The x-axis represents time from 09:30 to 14:30. The first 19 tasks are represented by black bars, and the 20th task is represented by a grey bar. The tasks are distributed across the time period, with some tasks being concurrent or sequential.
