Figure 1: Time series of the number of cases in the United Kingdom. The plot shows daily cases from 2020 to 2022. The y-axis is 'Number of cases' (0 to 100,000) and the x-axis is 'Time' (2020 to 2022). The data shows a sharp increase in early 2020, a peak in late 2020, a decline in early 2021, a second peak in late 2021, and a decline in early 2022.

A horizontal number line starting at 0 and ending at 1000. Major tick marks are labeled every 100 units: 0, 100, 200, 300, 400, 500, 600, 700, 800, 900, 1000. The number 800 is highlighted with a red rectangular box.

A horizontal number line is shown, ranging from 0 to 100. The line is marked with numbers from 0 to 100 in increments of 10. Above the line, there are orange blocks representing the number 100. The blocks are arranged in a row, with the first block starting at 0 and the last block ending at 100. The blocks are labeled with the number 100.
